

INTENTIONAL PROSPECTING & NETWORKING

What your game plan for Success

Who specifically do you want to meet?

Client avatars:

Other meaningful connections:

What do you want to learn?

About the people you meet?

From the event content?

What experience do you want to create?

What actions am I committed to taking?

What makes this a successful experience for me?

What results will I create?

New connections goals?

New connections and goals I can make for others?

Will I capture notes and content for social media/blogs?
